From: Raven Crime Watch Society

Members,
As a followup to the below message, it is confirmed that Red Deer County is providing bus transportation to the Edmonton Legislature for Nov 27. The buses will be leaving from the Crossroads church in Red Deer. This is the church next to the Red Deer County office on 32nd street (C&E Trail) in Red Deer.

The buses will leave for Edmonton at 10:30 a.m.

Please be assured that there is NO COST to us for this event.

However, we need more commitments from people to attend this worthwhile event. The buses can take up to 90 or 100 people and so far we only have about 40 committed.

This is your opportunity to voice your concern to the Alberta justice minister.....Write those letters, please. Property crime is affecting all of us, whether we have been a victim or not.

We have 104 seats in the gallery booked for us and we need to fill as many as possible. It won't look very good for us if we show up with just a few members. Since both buses are booked, we need to fill them.

As important though is the letters to the minister. These letters will be combined by our mla and some will be read during the session, so please write.

If you can attend, let Alison know, her contact information is in the below letter. It is important that you let Alison know if you are going as she is the only contact between us and legislative session.

This is a dedicated session just for the topic of rural property crime.

Thank you,
Fred Grono, Vice President
