Subject: Crime prevention guide!

Hi there,

My name's Monica Kent and I'm a mentor at the local community center. The kids that I mentor wanted me to email you and let you know that they think your page, on crime prevention, is very helpful! <http://www.oldsruralcrimewatch.ca/links.html>

As a thank you they wanted me to reach out to you and give you another great resource they have been using and have found helpful <http://www.usalarm.com/home-security-topics/increased-crime-rate.html>

This group of kids really are wonderful and have come a long way in learning, they were hoping you would add the above link to your page, and because of their hard work, I told them they could have a surprise pizza party this Friday ;)

Let me know if this is something you would be interested in adding to your page!

Thanks,
Monica Kent
