

Leduc RCW Message: Asphalt Paving Sales

Posted May 31, 2017

Leduc RCMP have received reports of an asphalt paving sales person approaching rural residents and stating that they have asphalt for sale and require the money up front and they will return later.

The men are driving a white truck, dark skinned and speaking with an American accent.

RCMP advises that you use caution when dealing with door to door sales and check them out thoroughly with the Better Business Bureau.

RCMP is also reporting an increase in vehicle thefts. In more than ½ of the auto thefts, the keys were left in the vehicle. This activity may be spreading to neighboring counties as the criminal element does not respect boundaries.

Thank you.
