

## From Raven Crime Watch Society

*Posted November 21, 2017*

Sorry to report that I had my locked truck stolen out of my garage near Markerville sometime in the early hours (last night or this morning). The walk in door on the garage is only a few feet from my kitchen door--and I was home, sleeping, at the time.

The truck is a bright red, short-box, 2007 Lincoln, Mark LT, one of the last Lincoln Trucks made (pictured right).

I intended to include pictures of the truck (taken in 2016), but strangely enough the pictures are missing from my computer. Was I targeted by some online thug? Who knows?

The truck is easy to spot because of the Lincoln insignia on the front. Licence plate NUW 112

Please pass this information to other crime watch members.

I'm devastated. This was my late husband's truck and looked like new.
