

Mail theft

Posted December 3, 2017

It has come to our attention that there is a fair amount of mail theft going on, probably not all that new. If possible, it may be prudent to pick up your mail as soon as it is delivered.

Also, perhaps we shouldn't be putting cheques in the mail either. It may be inconvenient, but better to take it to the post office and put in the mail box there.

Thank you,
