

Via Red Deer/Lacombe RCW: Robberies and Break-Ins

Posted September 12, 2017

On the east side of the City of Red Deer, there has been a rash of robberies and break-ins. Two on September 10th, one on RR 270 east of the city, early morning break-in into a house, high on drugs and claiming someone was going to shoot him.

Also on September 10th, another residence off RR 265 near the Canyon Ski Hill, where they broke into a shed, taking a rototiller, saddle and fishing rods. Last Tuesday, September 5th, two vehicles were taken off a driveway in the early morning hours, again east of the city.

Please ensure security systems are on, surveillance cameras are working and doors are locked, as the criminal element is making their rounds and finding easy targets.

Any farmers or residents in rural areas who have abandoned buildings or easy access sites, are reminded to pay attention to who is going in and out of these. If you see suspicious activity, report it immediately to the RCMP. We understand the criminals are using these for their "dumping sites".
