Torched Vehicle - RR 284

This is from BurntLake RCW this morning

Shortly after 6:00 AM this morning a truck was torched on RR 284 between Twp Rd 364 and Hwy 592. Neighbours saw the early smoke and called the fire department. Luckily the fire was contained and stopped it from spreading into neighbouring fields or wooded area's.

A silver truck was spotted speeding southbound on RR284, an F150 with a rental plate, which was not registered.

RCMP report the truck torched was out of Red Deer, and also advised there is a group "running out of control" in Penhold. According to the police this was the first Rural crime they know of that could of come from this group.

As a result please be vigilant and report any suspicious activity immediately.

As a note, a week ago, a stolen vehicle out of Calgary was dumped in a RCW members driveway, with nothing else done to the property or the surrounding area.
