Ridgewood Incident

Posted May 5, 2017 – From Red Deer/Lacombe Rural Crime Watch

This came in from a resident near the Ridgewood Hall today. Pay attention when driving by halls or community centres or vacant properties, as many of these criminals feel they can hide and avoid the RCMP. Anyone know this vehicle?

Found the truck May 3, 2017 parked behind Ridgewood Hall, had a body inside, which turned out he was passed out. He had a long criminal record, and a stolen truck. Sylvan Lake RCMP called and the individual arrested.
