

## **House/Garage break in**

*Posted May 7, 2017 – Crossroads Rural Crime Watch*

I received this from Crossroads RCW tonight. Crossroads is SE of Red Deer, off of Highway 42, in the Pine Lake area.

Eyes peeled for the vehicles.

Posting on behalf of Brett and Meghan Sparks: our house and garage was broken into this afternoon. Please keep an eye out in the ditches for small antique looking trunk and/or blank duffle bag. The trunk had irreplaceable items (of no monetary value) in it. We are hoping maybe they tossed it in the ditch when they realized it was worthless to them.

They stole the seadoo from our garage, and were driving a Grey Tahoe heading north on RR 274 and then east on TWP RD. 350.

Keep an eye out for a black newer SUV as it went by our house twice slowly earlier in the day. They may have been the scouting vehicle.
