

Airdrie RCMP and Municipal Enforcement initiate “Operation ABC”

Posted April 25, 2019

Airdrie RCMP and Municipal Enforcement will be initiating “Operation ABC” in the near future. This initiative focuses on school zone safety through a collaborative team approach involving RCMP, Municipal Enforcement and students from local schools.

Offenders will be pulled over for driving offences in school zones but instead of being issued a ticket, they will be receiving a special card. On one side of this card there will be 6 points regarding school zone safety and the other will be a special drawing and/or note from a young student. The focus of this operation is to educate and bring awareness to school zone safety and RCMP are hoping the note from a child will have a bigger impact than a fine.

If you have any questions, please contact Cpl Gina Slaney at the Airdrie RCMP detachment at (403) 945-7200.
