

## Airdrie RCMP Look to Return Recovered Sentimental Belongings

*Posted January 17, 2018*

On December 17, 2017, Airdrie RCMP executed a Search Warrant at a residence in Airdrie where a significant amount of stolen property was recovered.

Airdrie RCMP have already identified over a dozen victims from the Airdrie and Calgary area, all of whom were victims of break-ins over the previous year. However, RCMP are still seeking to find the owners for three unique items as shown in the attached photographs. The rightful owners will be required to answer specific questions in relation to the items.

The first item is a photo album containing black and white family photographs dating back over 120 years. The rightful owner is believed to be a descendant of the “Anderson” family name.

The second item is a unique piece of art displaying The Last Supper.

The third item is an antique military trunk having belonged to “E.R. Hall”.

If you believe one of these items to be yours, please contact Cst. Marrla Boxall of the Airdrie RCMP via email at: [marrla.boxall@rcmp-grc.gc.ca](mailto:marrla.boxall@rcmp-grc.gc.ca).
