

## Airdrie RCMP Investigate Sly Theft from Shopper's Drug Mart

Posted March 12, 2018

Airdrie RCMP are requesting assistance from the public in an attempt to identify a male suspect who stole over \$2,600.00 worth of medication and other items from Shoppers Drug Mart in Airdrie.

On February 22, 2018, at approximately 7:00 pm, two male suspects entered Shoppers Drug Mart located at 401 Coopers Boulevard in Airdrie. The males entered separately, did not appear to be shopping together, and even exited separately without staff noticing the theft.

The theft was not noticed until the following day. A review of the surveillance cameras allowed employees to see what was stolen and the method used by the suspects to avoid detection. They worked together to fill a shopping cart, bag the items in green bags, and then pass the bagged items outside in a way to avoid the alarm systems.

The estimated value of the medication and items stolen is believed to be \$2,671.75.

A clear photo of one male suspect was obtained by RCMP. The male is described as:

- Caucasian male
- believed to be in his late 20s or early 30s
- short, dark coloured hair, clean shaven, approximately 5'10" in height, with an athletic build
- wearing a brown baseball cap with logo, a blue and grey hooded shirt, and jeans
