

Airdrie RCMP Announce Vehicle Thefts Stats for May 2018

Posted June 5, 2018

Airdrie RCMP have compiled vehicle theft stats for May 2018 which indicate that vehicle thefts dropped dramatically from the previous month.

The Airdrie RCMP only received nine vehicle theft complaints in May which is down from 32 reported thefts in April. Of the nine stolen vehicles reported, only one of them were stolen with keys left inside the vehicle.

Other vehicle theft stats from May:

- Vehicles stolen on weekdays = 9
- Vehicles stolen on weekends = 0
- Vehicles were stolen between 6:00 am and noon = 1 (the remaining 8 were stolen at unknown times)
- Vehicles stolen within City of Airdrie limits = 8
- Vehicles stolen in rural = 1

Airdrie RCMP and Alberta Motor Association are encouraging Albertans to take three simple steps to prevent vehicle theft:

- Remove the keys
- Hide or remove all valuables
- And LOCK IT UP!
