

Counterfeit Currency

July 15, 2016

Airdrie RCMP and GIS would like the public to be aware of an increase in the usage of counterfeit currency in the City of Airdrie. Specifically 50 and 100 dollar Canadian bills have been used, often targeting small businesses.

The RCMP ask that business owners take the steps to check currency and call the RCMP if they suspect counterfeits. Business owners have a right to refuse any currency they suspect to be counterfeit.

If you have information on this incident, please call the Airdrie RCMP at 403-945-7200.
