

Beiseker RCMP seek public assistance to identify suspect

Posted November 22, 2016

At approximately 3:00 am on November 1, 2016, Beiseker RCMP responded to a Break and Enter at Norm's Gas Station in the town of Irricana. Surveillance cameras showed a male suspect had broken the glass doors but failed to gain entry. The suspect fled in a stolen Mitsubishi Eclipse.

At some point later the same day, another break and enter occurred at a residence in Three Hills during which antique currency and other items were taken. The Mitsubishi Eclipse involved in the earlier break and enter in Irricana was dumped near the residence in Three Hills and the suspect stole the home owner's black Chevrolet Equinox.

At 4:15pm the same day, the suspect attended the BMO in Acme and attempted to sell the antique money stolen from the earlier break and enter in Three Hills. Observant bank staff did not accept the currency and the suspect fled in the stolen black Chevrolet Equinox. Surveillance cameras at the BMO captured the attached images of the suspect.

The black Chevrolet Equinox was recovered three days later, on November 4, near Blackfalds.

Anyone that has information on these crimes or can identify the individual in the pictures is asked to contact Beiseker RCMP at 403-947-3496.
