Also on Feb 3rd, suspects entered another rural property near Irricana and forced entry to the home where they stole small electronics.

“The feeling of violation that comes with having your home broken into is awful,” says RCMP Corporal Curtis Peters., “These are people’s family treasures and heirlooms that were stolen, and the reality is that you just cannot replace things like that.”

RCMP from Beiseker and Airdrie Rural detachments are investigating these crimes and believe they are related. Surveillance cameras at one of the scenes captured the attached images of the suspect vehicle and the suspects.
