

## **Cochrane RCMP investigate numerous mischief complaints over the weekend**

*Posted July 31, 2017*

On July 30th 2017 the RCMP in Cochrane responded to numerous property related complaints in the West Valley and West Terrace area of town. The complaints were mischief related, including a vehicle set on fire, thefts from motor vehicles and windows smashed in an area school. At approximately 3:00 am the Cochrane RCMP responded to a complaint of a vehicle on fire, in an alley in the West Valley area. There is evidence to suggest that the suspect(s) attempted to start numerous other items on fire in and around the vehicle. Later in the day, on July 30th, there were then numerous other complaints of vehicles being rummaged through and then a complaint of a school in the area, having its windows smashed.

“The focus of these mischiefs appears to have been the West Valley and West Terrace areas of town” said Cst. Kary Moore with the Cochrane RCMP.

The RCMP are reminding residents to keep their eyes and ears open and to report anything that looks suspicious.
