

Two Suspicious Male Complaints in Two Days

Posted April 24, 2018

The Cochrane RCMP are investigating two suspicious male complaints in two days.

On April 17, 2018 at approximately 9:00 p.m. the Cochrane RCMP received a report of a young person being offered a ride from an unknown person earlier in the day (at approximately 5:00 p.m) in the Quigley drive area of Cochrane. When the young person declined the ride the suspect then said "come on, you can get it," the young person said "no" and ran home and told his parents. This young person described the male as being 40 years of age, Caucasian with a dark beard, heavy set, wearing a Philadelphia flyers hat. He described the vehicle as being a dark coloured Buick car.

On April 19, 2018 at approximately 7:45 a.m the Cochrane RCMP received a report of a young person walking through the McDonalds parking lot, in Cochrane, at approximately 6:00 p.m. the prior evening, when a male said to him "I have some loose change in the back of my truck, can you jump in and get it for me?" The young person said "no" and walked away. The young person in this second complaint met with an RCMP sketch artist and was able to develop a likeness which he felt accurately resembled the male (sketch attached). In this second complaint the male is described as 40-50 years of age with a scruffy beard. He was in a black truck and had a black and ginger coloured dog with him.

The Cochrane RCMP encourages residents to keep an eye out for their neighbours and especially for the young people in our community. If you spot something or someone suspicious, report it to the police immediately.

Anyone with information regarding these suspicious occurrences or if anyone recognizes the male in the sketch, to please contact the Cochrane RCMP detachment at 403-851-8000.
