February 13, 2016 RCMP were advised of an impaired driver on Highway 2 by Alberta Sheriffs who had conducted a traffic stop. RCMP members from Olds Detachment attended and established grounds to arrest the driver for Impaired Care and Control of a motor vehicle and a demand to provide samples of his breath into an approved instrument was made. As a result of those samples Ronald Hernandez of Red Deer has been charged with Care and Control over .08 in addition to Impaired Care and Control of a motor vehicle and a Gaming and Liquor Regulation charge for Transporting liquor within easy reach.

On February 17, 2016 Olds RCMP conducted an initiative to locate offenders wanted on outstanding arrest warrants in the area. As a result of this operation a total of nine warrants were executed for various Criminal Code and Municipal offences including Fraud, Assault, Cause Disturbance, Fighting in Public, Consume Liquor in Public and Fail to Appear in Court.

Police wish to remind motorists that with unseasonably warm weather more people (Motorcyclist, bicyclists, runners) are seen using roadways for exercise and enjoyment. Motorists should also be cognizant that students are walking or using their bicycles to get to and from school. Despite there not being ice on the streets there is traction sand/gravel that reduces the ability to stop/start effectively.

If you have information about these, or any other investigation(s), please call the Olds RCMP Detachment at (403) 556-3324.
