

Olds Crime Watch Update

October 28, 2016

There has been a number of thefts - especially vehicle thefts in our area, and thefts from vehicles. The RCMP remind us to be vigilant in reporting anything that seems suspicious right away. And please lock your stuff. We know it is a pain but in reality, it's a bigger pain to have to replace stuff.

There have also been incidents of a garage opener taken from an unlocked vehicle parked outside and used to gain access to the residence.

There have also been a number of other incidents reported by RCMP across the province involving frauds and other criminal acts. These are posted on our website - please check them out.

If you have information about any investigations, please call your local detachment, or the complaint line - 403-556-3323. This line is answered 24 hours a day.

Should you wish to remain anonymous, you may contact Crime Stoppers by phone at 1.800.222.8477 or, by internet at www.tipsubmit.com. You do not have to reveal your identity to Crime Stoppers, and if you provide information to Crime Stoppers that leads to an arrest(s), the recovery of stolen property, and - or a seizure of illicit drugs, you may be eligible for a cash reward.

Thank you for your support of rural crime watch. All our fan-outs are posted on the Olds Rural Crime Watch website: www.oldsruralcrimewatch.ca.
