

From Red Deer/Lacombe Rural Crime Watch, On Behalf Of Jean Bota

Posted April 6, 2017

BEWARE !

This came in through our Rural Crime Watch FB page yesterday from a resident near Lacombe.

"Okay, this is the third time. We have had people show up to our rural property asking about paving. Kinda weird considering we have said no everytime. Next time I will take a picture of the truck. Not sure if its robbers checking the property out or what? Anyone have a similar situation?"

Sounds like gypsy paving is out and about. Watch out and beware of people with southern accents or even European accents, out of province plates from Ontario and Quebec.
