

## Red Deer RCMP investigate theft of 5th wheel trailer

Posted June 13, 2017

Red Deer RCMP are investigating the theft of a fifth wheel trailer from a locked compound in Queens Business Park the evening of June 3.

Shortly after 7:30 pm on June 3, two men in a truck broke into the Allan Dale Industries compound located on Queens Drive, hooked a fifth wheel trailer up to the truck and drove out through the front gate.

The suspect truck (pictured top right) is a black Ford F150 with a large dent in the box behind the passenger side of the crew cab. Because the truck is not adequate for pulling a trailer of this size any significant distance, RCMP believe the fifth wheel may have been pulled a short distance and then hooked up to a more appropriate vehicle.

The stolen trailer is a Heartland Road Warrior 427RW worth approximately \$121,000 (stock photo shown bottom right). One unique identifying feature of the stolen trailer is that it had a washing machine and dryer system installed, with a chrome dryer vent.

Police are asking any witnesses who may have seen suspicious activity involving a Heartland Road Warrior fifth wheel trailer in that area or around that time to contact the Red Deer RCMP at 403-343-5575.
