Dear Alberta Rural Crime Watch Association members:

On behalf of the Royal Canadian Mounted Police (RCMP) "K" Division, I am pleased to recognize all the volunteers across the province who contribute to the success of this program.

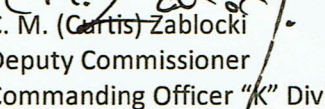

The Alberta Rural Crime Watch Association supports our shared goal of ensuring safe homes and safe communities by being the "eyes and ears" of their communities, liaising with their local police agency and promoting sound crime prevention practices with their neighbours. As the Commanding Officer of the "K" Division RCMP, I have seen how these efforts directly support the women and men of the Force.

To all the members who have volunteered not only their own time but the time away from their family and friends, the countless hours you have volunteered with Rural Crime Watch has made a difference. For that, on behalf of the Alberta RCMP, I thank you.

The need to work together with community leaders like the Alberta Provincial Rural Crime Watch Association has never been greater. It is only with your continued support that we are able to provide the very best police service to all Albertans – no matter where they live.

All the best for a successful and productive annual general meeting and symposium.

Yours truly,

C. M. (Curtis) Zablocki
Deputy Commissioner
Commanding Officer "K" Division
